

03/20/2024

9:30pm-1130pm

Watched more YouTube videos to get more knowledge about css and bootstrap.

03/21/2024

6pm -7pm

Brainstorming about my web page design
Created sketches of the page

03/22/2024

3pm-5pm

Created my first draft and worked on it .

03/26/2024

6pm-7:30pm

Did some modifications on my first draft and made some changes to make it better.
Faced some problems and was trying to fix it.

03/27/2024

4:41pm - 8:45pm

Watched some more YouTube videos to rectify the problems in my code.

03/29/2024

12:05pm -12:21pm

Wasn't happy with the output of the first draft so worked on it again

03/30/2024

11:43am-5:18pm

Uploaded my first draft and worked on it until I finished me project.
Created the repository.
